

Community Re-integration & Observation Centre

For Complementing & Supporting Statutory and Private Organisations in the provision of Youth Development & Offender Rehabilitation Services

To develop carefully designed individual plans, including:

- * Intensive Guidance & Individual Care Plans,
- * Reduction of Risk & Self-Harm and of Offending Patterns
- * Educational, Vocational, Social Development (Accredited) Programmes
- * Constructive Use of Spare Time including Sports & Health Awareness
- * Individual Follow-Through & Monitored Career Progressions
- * Youth Engagement in local Community Volunteering & Regeneration Services

Delivered by a group of skilled and qualified Practitioners in field of Criminal Justice, Careers Guidance, Social & Career Development, Community Regeneration, etc.

We aim to meet the needs of Advisors and Practitioners working with all (16-30) clients of:

1. **HMP Prisons/Young Offenders Institutions** - for wider choices of community sentences and for reducing overcrowding within prisons, as well as minimise dependencies on institutionalisations, support re-integration, etc.
2. **Probation/Social Services/HM Prisons** - for improved social awareness, extended choices of supervision and observation services and for addressing specific offending patterns/occurrences.
3. **YOS/Other-** for work with unemployment clients in need Personal & Social Development and in re-integration to EET
4. **Local Police** - for maximising chances of successful ASBOs & Cautions(+) orders and for citizenship involvement
5. **Local Magistrate s-** for implementation of 'Requirements' under new CJA and for increased sentencing options.
6. **Careers Guidance/Youth Advisory Services** - all 16-25 YPs in need of additional support within safe environments
7. **Schools/Colleges (16-19)-** for additional support in Behaviour Management/ Sustained Career Development
